Notice of Annual General Meeting

Notice is hereby given that the Annual General Meeting of J Sainsbury plc (the 'Company') will be held at The Queen Elizabeth II Conference Centre, Broad Sanctuary, Westminster, London SW1P 3EE at 11.00am on Thursday, 4 July 2019 for the purpose of considering and, if thought fit, passing the resolutions set out in this Notice of Meeting (the 'Notice'). Voting on all resolutions will be by way of a poll.

The resolutions numbered 1 to 16 and 19 will be proposed as ordinary resolutions, and must each receive more than 50% of the votes cast in order to be passed (not counting Votes withheld). Resolutions 17, 18, 20 and 21 will be proposed as special resolutions and must each receive at least 75% of the votes cast in order to be passed (not counting Votes withheld).

Ordinary business

Report and Accounts

1. To receive and adopt the Company's audited Annual Report and Financial Statements for the 52 weeks to 9 March 2019, together with the Reports of the Directors and auditor.

For each financial year, the Directors must present the Directors' Report, the audited Financial Statements and the independent auditor's report to shareholders at a general meeting.

Directors' Annual Remuneration Report

2. To approve the Annual Report on Remuneration set out on pages 74 to 85 (inclusive) of the Company's Annual Report and Financial Statements for the 52 weeks to 9 March 2019.

The Company is required to seek shareholder approval for the Annual Report on Remuneration which can be found on pages 74 to 85 (inclusive) of the Annual Report and Financial Statements for the 52 weeks to 9 March 2019. The Annual Report on Remuneration discloses how the Company's existing Directors' Remuneration Policy (the 'Policy') is implemented and sets out details of each Director's remuneration during the 52 weeks under review. In accordance with the relevant regulations, this resolution is an advisory vote and the Directors' entitlement to remuneration is not conditional upon it.

At the 2017 annual general meeting, the Policy was approved by shareholders and is therefore not required to be approved at this year's AGM. Shareholders will be able to vote on the Policy at the annual general meeting of the Company in 2020.

Final Dividend

3. To declare a final dividend of 7.9 pence per ordinary share in respect of the 52 weeks to 9 March 2019.

The proposed dividend is declared as a final dividend and, as such, is dependent on shareholder approval.

Election and Re-election of Directors

4. To elect Martin Scicluna as a Director.
5. To re-elect Matt Brittin as a Director.
6. To re-elect Brian Cassin as a Director.
7. To re-elect Mike Coupe as a Director.
8. To re-elect Jo Harlow as a Director.
9. To re-elect David Keens as a Director.
10. To re-elect Kevin O'Byrne as a Director.
11. To re-elect Susan Rice as a Director.
12. To re-elect John Rogers as a Director.
13. To re-elect Jean Tomlin as a Director.

In accordance with the Articles of Association of the Company, Directors appointed by the Board shall retire and be subject to election by shareholders at the first annual general meeting of the Company following their appointment. Martin Scicluna, who was appointed to the Board on 1 November 2018, is accordingly seeking appointment by the shareholders.

The UK Corporate Governance Code 2018 recommends that all Directors should be subject to annual re-appointment by shareholders. In accordance with this, all of the Directors other than those appointed since the last annual general meeting will be submitting themselves for re-election at the AGM. Each Director will be offered for re-election by separate resolution.

Following a Board evaluation process, the Board is satisfied that each Non-Executive Director standing for re-election is independent and each Director continues to perform effectively and demonstrates commitment to the role.

The biographical details of each of the Directors can be found on pages 5 to 6 of this Notice.

Appointment of auditor

14. To re-appoint Ernst & Young LLP as auditor of the Company to hold office until the conclusion of the next general meeting at which accounts are laid before the Company.

This resolution proposes the re-appointment of Ernst & Young LLP as auditor of the Company, to hold office until the conclusion of the next general meeting at which accounts are laid before the Company, which will normally be at each annual general meeting. The Audit Committee is responsible for overseeing the Company's relationship with the external auditor. The performance and effectiveness of the auditor, which included an assessment of the auditor's independence and objectivity, has been evaluated by the Audit Committee which has recommended to the Board that Ernst & Young LLP be re-appointed.

The Board proposes the re-appointment of Ernst & Young LLP as the Company's auditor.

Auditor's remuneration

15. To authorise the Audit Committee to determine the auditor's remuneration.

This resolution seeks authority for the Audit Committee to set the auditor's remuneration in accordance with the Competition and Markets Authority Audit Order 2014 which came into force on 1 January 2015.

Directors' general authority to allot shares

16. That the Directors be generally and unconditionally authorised pursuant to and in accordance with Section 551 of the Companies Act 2006 (the '2006 Act') to exercise all the powers of the Company to allot shares in the Company or grant rights to subscribe for or to convert any security into shares in the Company up to an aggregate nominal amount of £210,548,000, such authority to apply in substitution for all previous authorities pursuant to Section 551 of the 2006 Act and to expire at the end of the annual general meeting of the Company in 2020 or on 7 September 2020, whichever is the earlier, but, in each case, so that the Company may, before such expiry, make offers and enter into agreements which would, or might, require shares to be allotted or rights to subscribe for or to convert any security into shares to be granted after the authority given by this resolution has expired.

The purpose of this resolution is to renew the Directors' power to allot shares.

The authority will allow the Directors to allot new shares and grant rights to subscribe for, or convert other securities into shares up to a nominal value of £210,548,000, which is equivalent to approximately one third of the total issued ordinary share capital of the Company (exclusive of treasury shares) as at 10 May 2019. As at 10 May 2019, the Company did not hold any shares in treasury.

The Directors consider the authority given by Resolution 16 to be desirable and appropriate to provide the flexibility to respond to market developments as well as to enable allotments to take place if they believe it would be appropriate to do so in respect of business opportunities that may arise. The Company has previously issued bonds convertible into ordinary shares in order to finance its business in an efficient manner. It is possible that the Company may do so again when refinancing existing debt and if so, would utilise some of this authority.

If this resolution is passed, the authority will expire on the earlier of the end of the annual general meeting of the Company in 2020 or on 7 September 2020.

General power to disapply pre-emption rights

17. That, subject to the passing of Resolution 16, the Directors be authorised to allot equity securities (as defined in Section 560(1) of the 2006 Act) wholly for cash pursuant to the authority given by Resolution 16 above or to sell equity securities held by the Company as treasury shares for cash, as if Section 561 of the 2006 Act did not apply to any such allotment or sale, in each case:

- (i) in connection with a pre-emptive offer; and
- (ii) otherwise than in connection with a pre-emptive offer, up to an aggregate nominal amount of £31,582,000,

such authority to expire at the end of the annual general meeting of the Company in 2020 or at the close of business on 7 September 2020, whichever is the earlier, but so that the Company may, before such expiry, make offers and enter into agreements which would, or might, require equity securities to be allotted and treasury shares to be sold after the authority given by this resolution has expired and the Directors may allot equity securities and sell treasury shares under any such offer or agreement as if the authority had not expired.

For the purposes of this resolution, a pre-emptive offer means an offer of equity securities and/or sale of treasury shares open for acceptance for a period fixed by the Directors:

- (a) to holders (other than the Company) of ordinary shares in proportion (as nearly as may be practicable) to their existing holdings on the register on a record date fixed by the Directors; and
- (b) to the holders of other equity securities, as entitled by the rights attaching to those securities, or as the Directors otherwise consider necessary,

but subject in both cases to such exclusions or other arrangements the Directors may consider necessary or appropriate to deal with treasury shares, fractional entitlements, record dates or legal, regulatory or practical problems in, or under the laws of, any territory whatsoever. The nominal amount of any securities shall be taken to be, in the case of rights to subscribe for or convert any securities into shares of the Company, the nominal amount of such shares which may be allotted pursuant to such rights.

The explanatory note for Resolution 17 is underneath Resolution 18.

Authority to allot equity securities for cash or to sell treasury shares other than on a pro rata basis to shareholders in connection with acquisitions and specified capital investments

18. That, subject to the passing of Resolution 16 and in addition to any authority granted under Resolution 17, the Directors be authorised to allot equity securities (as defined in Section 560(1) of the 2006 Act) wholly for cash pursuant to the authority given by Resolution 16 or to sell equity securities held by the Company as treasury shares for cash, as if Section 561(1) of the 2006 Act did not apply to any such allotment or sale, such authority to be:

- (i) limited to the allotment of equity securities or sale of treasury shares up to an aggregate nominal amount of £31,582,000; and
- (ii) used only for the purposes of financing (or refinancing, if the authority is to be used within six months after the original transaction) a transaction which the Directors determine to be an acquisition or other capital investment of a kind contemplated by the Pre-Emption Group's Statement of Principles on the disapplication of Pre-Emption Rights (the 'Statement of Principles') most recently published prior to the date of the Notice,

such power to expire at the end of the annual general meeting of the Company in 2020 or at the close of business on 7 September 2020, whichever is the earlier, but, in each case, so that the Company may, before such expiry, make offers and enter into agreements which would, or might, require equity securities to be allotted and treasury shares to be sold after the authority given by this resolution has expired, and the Directors may allot equity securities or sell treasury shares under any such offer or agreement as if the authority had not expired.

This explanatory note relates to both Resolutions 17 and 18.

If the Directors wish to allot new shares and other equity securities, or sell treasury shares, for cash (other than in connection with an employee share scheme), the 2006 Act requires that these shares are offered first to shareholders in proportion to their existing holdings (known as pre-emption rights).

Resolution 17(i) seeks shareholder approval to allot a limited number of ordinary shares or other equity securities, or sell treasury shares, for cash on a pre-emptive basis but subject to such exclusions or arrangements as the Directors may deem appropriate to deal with certain situations.

Resolutions 17(ii) and 18 give the Directors the authority to allot a limited number of equity securities, or sell treasury shares, for cash without first offering them to existing shareholders in proportion to their existing holdings. The authority:

- a. pursuant to Resolution 17(ii) is limited to the aggregate nominal amount of £31,582,000 which is equivalent to approximately 5% of the total issued ordinary share capital of the Company (exclusive of treasury shares) as at 10 May 2019 (being the latest practicable date prior to the publication of this Notice) without restriction as to the use of proceeds of those allotments; and
- b. pursuant to Resolution 18 is limited to a further aggregate nominal amount of £31,582,000 which is equivalent to approximately 5% of the total issued ordinary share capital of the Company (exclusive of treasury shares) as at 10 May 2019 (being the latest practicable date prior to the publication of this Notice), to be used only in connection with an acquisition or specified capital investment (within the meaning of the Statement of Principles) which is announced contemporaneously with the allotment or sale, or which has taken place in the preceding six-month period and is disclosed in the announcement of the issue or sale.

In respect of the authority referred to Resolution 17 (ii), the Board also confirms its intention to follow the provisions of the Statement of Principles, including where the Statement of Principles provide that usage of such authority in excess of 7.5% of the total issued ordinary share capital of the Company (excluding treasury shares) within a rolling three-year period should not take place without prior consultation with shareholders or in connection with an acquisition or specified capital investment as referred to above.

The Board considers the authorities given by Resolutions 17 and 18 to be appropriate on occasions when, in order to act in the best interests of the Company, the Directors need the flexibility to finance business opportunities as they arise or to conduct a pre-emptive offer or rights issue without the need to comply with the strict requirements of the statutory pre-emption provisions.

These authorities in Resolutions 17 and 18 will automatically expire at the conclusion of the next annual general meeting of the Company or at the close of business on 7 September 2020, whichever is earlier.

Special business

Political donations

19. That

- (i) in accordance with Part 14 of the 2006 Act, the Company and any company which is, or becomes, a subsidiary of the Company during the period to which this resolution relates are authorised to:
 - (a) make political donations to political parties and/or independent election candidates, not exceeding £50,000 in total;
 - (b) make political donations to political organisations other than political parties, not exceeding £50,000 in total; and
 - (c) incur political expenditure, not exceeding £50,000 in total, during the period beginning with the date of the passing of this resolution and ending on the date of the annual general meeting of the Company in 2020 or at the close of business on 7 September 2020, whichever is the earlier;
- (ii) all existing authorisations and approvals relating to political donations or expenditure under Part 14 of the 2006 Act are hereby revoked without prejudice to any donation made or expenditure incurred prior to the date hereof pursuant to such authorisation or approval; and
- (iii) words and expressions defined for the purpose of the 2006 Act shall have the same meaning in this resolution.

Part 14 of the 2006 Act requires companies to obtain shareholders' authority for donations to registered political parties and other political organisations totalling more than £5,000 in any 12-month period, and for any political expenditure, subject to limited exceptions.

The Company has a policy that it does not make donations to, or incur expenditure on behalf of, political parties, other political organisations or independent election candidates. However, the 2006 Act contains restrictions on companies making political donations or incurring political expenditure and it defines these terms very widely, such that activities that form part of the normal relationship between the Company and bodies concerned with policy review, law reform and other business matters affecting the Company may be included. Such activities, which are in shareholders' interests for the Company to conduct, are not designed to support or imply support for a particular political party, other political organisation or independent election candidate. The Company believes that the authority proposed under this resolution is necessary to ensure that it does not commit any technical breach that could arise from the uncertainty generated by the wide definitions contained within the 2006 Act when carrying out activities in the furtherance of its legitimate business interests.

If the resolution is passed, the authority will expire on the earlier of the end of the annual general meeting of the Company in 2020 or at the close of business on 7 September 2020. Any political expenditure incurred which is in excess of £2,000 will be disclosed in the Company's annual report and financial statements for next year, as required by the 2006 Act.

The Company made no political donations in the 52 weeks to 9 March 2019.

Authority to purchase own shares

20. That the Company be generally and unconditionally authorised for the purposes of Section 701 of the 2006 Act to make market purchases (within the meaning of Section 693(4) of the 2006 Act) of ordinary shares of 28⁴/₇ pence each in the capital of the Company ('ordinary shares') in such manner and upon such terms as the Directors may from time to time determine, provided that:

- (a) the maximum number of ordinary shares which may be purchased is 221,075,000;
- (b) the minimum price which may be paid for an ordinary share is 28⁴/₇ pence (being the nominal value of an ordinary share) exclusive of associated expenses;
- (c) the maximum price which may be paid for an ordinary share is an amount equal to the higher of: (i) 105 per cent of the average of the closing price of an ordinary share derived from the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which that ordinary share is contracted to be purchased; and (ii) the higher of the price of the last independent trade of an ordinary share and the highest current bid for an ordinary share on the trading venue where the purchase is carried out (exclusive of associated expenses); and
- (d) the authority to purchase hereby conferred shall expire at the end of the Company's annual general meeting in 2020 or at the close of business on 7 September 2020, whichever is the earlier, save that the Company may make a contract to purchase ordinary shares under this authority before the expiry of the authority which will or may be completed wholly or partly thereafter and a purchase of shares may be made in pursuance of any such contract.

The 2006 Act permits a company to purchase its own shares provided that the purchase has been authorised by the company in general meeting. Whilst the Directors have no present intention of making such purchases, it is common practice for listed companies to seek such authority and the Directors consider that it is prudent for them to do so.

Resolution 20, if passed, would give the Company the authority to purchase its own issued ordinary shares of 28⁴/₇ pence each at a price (exclusive of expenses) of not less than 28⁴/₇ pence per share (being the nominal value of the ordinary shares) and not more than the higher of: (a) an amount equal to 105 per cent of the average of the closing price of the Company's ordinary shares as shown in the London Stock Exchange Daily Official List for the five business days immediately preceding the date the purchase is made; and (b) the higher of the price of the last independent trade of an ordinary share and the highest current independent bid for an ordinary share on the trading venue where the purchase is carried out (exclusive of associated expenses). The authority is for the purchase of a maximum number of 221,075,000 shares, being approximately 10 per cent of the Company's issued ordinary share capital as at 10 May 2019 and will expire at the end of the annual general meeting of the Company in 2020 or at the close of business on 7 September 2020, whichever is the earlier. The Directors presently intend that a resolution to renew this authority will be proposed at each succeeding annual general meeting.

The Directors would not propose to exercise their authority to make purchases other than for the purposes of the Company's employee share plans or unless the expected effect of the purchase would be to increase the earnings per share of the remaining shares in the capital of the Company and the purchase is in the best interest of the shareholders generally.

Any shares purchased under this authority may be either treated as cancelled and the number of shares in issue reduced accordingly, or held as treasury shares in accordance with the 2006 Act. The 2006 Act allows listed companies, with authorisation from shareholders, to buy and hold their shares instead of cancelling them immediately. Shares purchased under this authority and held in treasury can in the future be cancelled, re-sold or used to provide shares for employee share plans. No treasury shares are held by the Company as at the date of this Notice and it is not intended that any shares purchased pursuant to this authority will be held in treasury, although the decision whether to cancel any shares purchased by the Company or hold such shares as treasury shares, could be made by the Directors at the time of the purchase, on the basis of shareholders' best interests.

The total number of options to subscribe for shares outstanding as at 10 May 2019, being the latest practicable date prior to the publication of this Notice, was 64,816,793 which, if exercised, would represent 2.93 per cent of the issued ordinary share capital at that date. If the Company were to buy back the maximum number of shares permitted pursuant to this resolution, then the total number of options to subscribe for shares as at 10 May 2019 would represent 3.26 per cent of the reduced issued ordinary share capital.

Notice period for general meetings other than annual general meetings

21. That a general meeting other than an annual general meeting may be called on not less than 14 clear days' notice.

Under the 2006 Act, all general meetings must be held on 21 days' notice unless shareholders approve a shorter notice period, which cannot however be less than 14 clear days (annual general meetings will continue to be held on at least 21 clear days' notice). Before the law was amended in 2009, the Company was able to call general meetings (other than annual general meetings) on 14 clear days' notice without obtaining such shareholder approval. In order to preserve this ability, Resolution 21 seeks such approval (a similar authority was sought and approved at the 2018 annual general meeting). If this resolution is passed, the authority will expire at the end of the annual general meeting of the Company in 2020, when it is intended that a similar resolution will be proposed.

You should note that in order to be able to call a general meeting on less than 21 clear days' notice, the Company must make a means of electronic voting available to all shareholders for that meeting. The shorter notice period would not be used as a matter of routine for such meetings, but only where the flexibility is merited by the business of the meeting and is thought to be in the interests of shareholders as a whole.

Meeting formalities and voting

Attending the Annual General Meeting

To be entitled to attend and vote at the meeting (and for the purposes of determining the number of votes shareholders may cast), shareholders must be entered on the Company's Register of Members at 6.30pm on Tuesday, 2 July 2019 or, if the meeting is adjourned, shareholders must be entered on the Company's Register of Members at 6.30pm two days before the time fixed for the adjourned meeting. In each case, changes to the Register of Members after such time will be disregarded.

The total number of issued ordinary shares in the Company on 10 May 2019, which is the latest practicable date before the publication of this document, is 2,210,758,863. As at 10 May 2019, the Company did not hold any shares in treasury. Therefore, the total number of votes exercisable as at 10 May 2019 is 2,210,758,863. On a vote by show of hands, every member who is present has one vote and every proxy present who has been duly appointed by a member entitled to vote has one vote. On a poll vote, every member who is present in person or by proxy has one vote for every ordinary share of which they are the holder.

Voting at AGM

We will take all resolutions on a poll vote which is in line with best practice. On a poll, each shareholder has one vote for every share he or she holds. The results of the voting on the resolutions will be posted on the Company's website after the meeting and notified to the UK Listing Authority.

Appointment of a Proxy

Shareholders entitled to attend and vote at the AGM may appoint one or more proxies to exercise all or any of his/her rights to attend, speak and vote at the AGM instead of them. A form of proxy is enclosed. If you wish to appoint a proxy you are requested to complete and return the form of proxy to Equiniti, Aspect House, Spencer Road, Lancing BN99 6DA to arrive as soon as possible but in any event not later than 11.00am on Tuesday, 2 July 2019. The completion and return of the form of proxy will not prevent you from attending and voting at the meeting if you so wish.

A shareholder entitled to attend and vote at the AGM is entitled to appoint one or more proxies to attend, speak and vote instead of him, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. Further details are given on the accompanying proxy card.

The 'Vote withheld' option is provided on the proxy card to enable you to abstain on any particular resolution. However, it should be noted that a 'Vote withheld' is not a vote in law and will not be counted in the calculation of the proportion of votes 'For' and 'Against' a resolution.

Although this Notice is sent to beneficial owners of shares under the Sainsbury's and Argos Share Purchase Plans, only holders of ordinary shares or their proxy are entitled to attend and vote at the meeting.

If you are not a shareholder but enjoy 'information rights' you should contact the person who nominated you to receive these rights to see if the agreement you have with them gives you the right to be appointed as a proxy. If you do not have this right, or do not wish to exercise it, you may still have the right to tell the person who nominated you how you would like them to vote.

The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person and who have been nominated to receive communications from the Company in accordance with Section 146 of the 2006 Act ('Nominated Persons'). Nominated Persons may have a right under an agreement with the member who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if Nominated Persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights.

Corporate Sponsored Nominee

Shareholders who have deposited ordinary shares with Equiniti Corporate Nominees Limited, being the nominee in connection with the Sainsbury's Corporate Sponsored Nominee (the 'Nominee'), may exercise their voting rights in respect of those shares by completing and returning their form of direction to Equiniti, Aspect House, Spencer Road, Lancing BN99 6DA or by submitting their vote via our Registrar's website at www.sharevote.co.uk, in either case so as to be received no later than 11.00am on Monday, 1 July 2019.

Corporate representatives

A corporate shareholder may authorise a person to act as its representative(s) at the AGM. In accordance with the provisions of the 2006 Act, each such representative may exercise (on behalf of the corporation) the same powers as the corporation could exercise if it were an individual shareholder of the Company, provided that they do not do so in relation to the same shares.

Website statement

Shareholders should note that, under Section 527 of the 2006 Act, shareholders meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the AGM for the 52 weeks to 9 March 2019; or (ii) any circumstance connected with an auditor of the Company appointed for the 52 weeks to 9 March 2019 ceasing to hold office since the previous meeting at which annual accounts and reports were laid. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with Sections 527 or 528 (requirements as to website availability) of the 2006 Act. Where the Company is required to place a statement on a website under Section 527 of the 2006 Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the annual general meeting for the relevant financial year includes any statement that the Company has been required under Section 527 of the 2006 Act to publish on a website.

Right to ask questions

Any shareholder attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

Electronic voting

If you would like to submit your proxy vote via the internet, you can do so by accessing our Registrar's website at www.sharevote.co.uk so as to be received no later than 11.00am on Tuesday, 2 July 2019. In order to submit your proxy vote electronically, you will require the Voting ID, Task ID and Shareholder Reference Number, printed on the proxy card, or, if you have received electronic notification of the AGM, detailed in the email bulletin that you have received.

You can access this site from any internet-enabled computer, tablet or mobile phone.

CREST voting facility

Those shareholders who hold shares through CREST may choose to appoint a proxy or proxies using CREST. The CREST Proxy Instruction must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instruction as described in the CREST Manual available via www.euroclear.com/CREST. Personal or sponsored members and those with a voting service provider should request the sponsor or provider to take the appropriate action.

Time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which our Registrars are able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to a proxy appointed through CREST should be communicated to the appointee by other means. The Directors may treat a CREST Proxy Instruction which purports to be or is expressed to be sent on behalf of a shareholder as sufficient evidence of the authority of the person sending that instruction to send it on behalf of the holder.

CREST Proxy Instructions must be received by our Registrar (ID RA19) by 11.00am on Tuesday, 2 July 2019.

CREST members (and, where applicable, their CREST sponsors or voting service providers) should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that his/her CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members (and, where applicable, their CREST sponsors or voting service providers) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
